Our 3-Step Custom Jewelry Process

1

Consultation

A private virtual meeting to discuss your unique ideas, style, and budget. Share any inspiration—images, photos, or sketches—to help us capture your vision.

2

Design

Our master jewellers create a detailed, high-resolution render of your piece for your approval. You can make final adjustments to ensure every detail is perfect.

3

Production

Once approved, our craftsmen bring your design to life using the highest quality materials. This meticulous process ensures a flawless final piece.

6 Weeks

Production Timeline

Your jewelry is meticulously crafted and perfected by our artisans.

Your Vision, Our Blueprint

Provide your own designs in any digital format to start the creation.

Insured & Trackable Delivery

Your final piece is sent securely, fully insured, and with tracking.
